hongdoxh@gmail.com | <https://holleneh.weebly.com> | (813) 382-5540

SUMMARY

Proactive and inclusive designer with strong global communication skills and a background in research and psychology.

EXPERIENCE

Chasm Communications, Associate UX/UI Designer

FEBRUARY 2020 - PRESENT | TAMPA, FL

Tasked with user research (contextual inquiry), journey mapping, creating low and high fidelity wireframes in Sketch, and prototyping in InVision for enterprise software applications. Created official internal Web Accessibility training and documentation. Designed and developed Wordpress site for a real estate client.

Freelance, UX Designer

DECEMBER 2019 - MARCH 2020 | TAMPA, FL

Assisted small business owner with redesign and rebrand of their website and social media.

McKinsey and Company, Executive Assistant

DECEMBER 2017 - FEBRUARY 2020 | ST. PETERSBURG, FL

Proactively anticipated and adapted to consultants' needs for scheduling, travel, and expenses to optimize their experience. Effectively managed tight deadlines for multiple executives. Worked with stakeholders and collaborated as a team player in a cross-functional environment.

English Parks, Teacher

JANUARY 2013 - AUGUST 2013 | BANGKOK, THAILAND

Created daily lesson plans for four different classes with students of diverse backgrounds and levels. Led and managed class sizes of 30 students and tutored 1:1.

CU Department of Neuroscience, Undergraduate Research Assistant

OCTOBER 2010 - AUGUST 2012 | BOULDER, CO

Assisted lead lab investigator with collection of data for "Drug-induced Neurobiological changes in the Brain and Addictive Behaviors."

EDUCATION

Springboard, UX Design Career Path

SPRING 2019

Designed end-to-end independent case studies. Completed a 350+ hour online UX design course covering the end-to-end UX process including design thinking, user interface design, prototyping, usability testing, psychology principles, communication, and specialized topics.

University of Colorado, BA in Psychology
